

GIVE YOUR WORK A PLACE TO LIVE.

Bring the information you need most out of your tabs and into your physical workspace.

See how it works →

A place for what matters.

Keep the information you check most within sight, without taking over your main screen.

01

CALENDAR

See what's next without opening another app.

02

TASKS & FOCUS

Keep your priorities visible while you work.

03

STAY IN SYNC

Bring information from the tools you already use into your workspace.

GIVE YOUR WORK A PLACE TO LIVE.

Bring the information you need most out of
your tabs and into your physical workspace.
